

Bob David

Partner, Leadership Properties NWA

**Broker Associate, McGraw Realtor
Leadership Team - Tulsa**

Robert R. (Bob) David has been a licensed real estate broker and played an active part of the Tulsa real estate brokerage, property development, and construction community for the past 35 years. His extensive experience as a real estate business manager, property manager, real estate broker, developer and construction manager gives him the knowledge and perspective to handle any project or real estate need a client may have.

Bob has a wealth of experience in investment real estate – serving as a senior real estate investment manager with *Metropolitan Life Insurance Company*, and as a Vice President of Investment Real Estate at *Property Company of America*. Over the past 3 decades, Bob has done extensive consulting work for Oral Roberts University, as well as other companies and institutions.

1997 - Bob founded Leadership Properties, an independent real estate brokerage and development company focused on: the construction of commercial and residential subdivisions, build to suit commercial buildings, and the construction of new & renovated homes in Tulsa/Edmond, OK.

2012 - Leadership Properties merged with McGraw Realtors, becoming a licensed agent with all the advantages McGraw offers. McGraw is the best real estate brokerage in Oklahoma. Bob continues to use his experience and knowledge (35 yrs of commercial real estate, residential brokerage, development and consulting) in a more direct brokerage effort under the McGraw Realtor Leadership Team umbrella.

2014 – Bob David (along with partner Julie Vaught) founded Leadership Properties of Northwest Arkansas, developing and managing additional master planned communities in the NWA region.

Over the past 20 years, Bob has negotiated the purchase and sale of hundreds of millions of dollars of real estate. Bob has developed and constructed multiple commercial office parks (more than 30 commercial buildings) that are specifically designed to the needs of Owner/User enterprises. Additionally, he has developed over 1,000 residential lots in 10 different subdivisions located in Tulsa and Edmond, OK and Northwest Arkansas.
