### **Partner, Leadership Properties NWA**

---

Julie Vaught joined Leadership Properties as a partner in August of 2014. After spending 10 years as a professional in the real estate title industry, curiosity in the unknown and frankly an aversion for corporate indifference led her to take a leap of faith and join Bob David in his vision to expand into the NWA real estate development market. Julie graduated from the University of Arkansas with a BA in accounting and made a deliberate decision to put down roots in NWA. Leaving a legacy in the community in which she is proud to live along with her husband and two daughters has given her a purpose more fulfilling than simply earning a paycheck.

Julie is looking forward to the future and creating residential developments that are more than just a place to live, but allow the families of NWA a place to belong.
